Select Language Seleccione El Idioma

English

Español

➔ EXIT / SALIR

3. Type in your PIN number.

US DEBIT

Enter PIN and press ENTER key

_____ 

 EXIT CONTINUE 

This screenshot shows a PIN entry interface. At the top right, it says "US DEBIT". The main instruction is "Enter PIN and press ENTER key". Below this is a horizontal line for the PIN, followed by a back arrow icon with an "X" inside. At the bottom, there are two buttons: "EXIT" with a square arrow icon and "CONTINUE" with a right-pointing arrow icon.

4. Select if you would like a receipt.

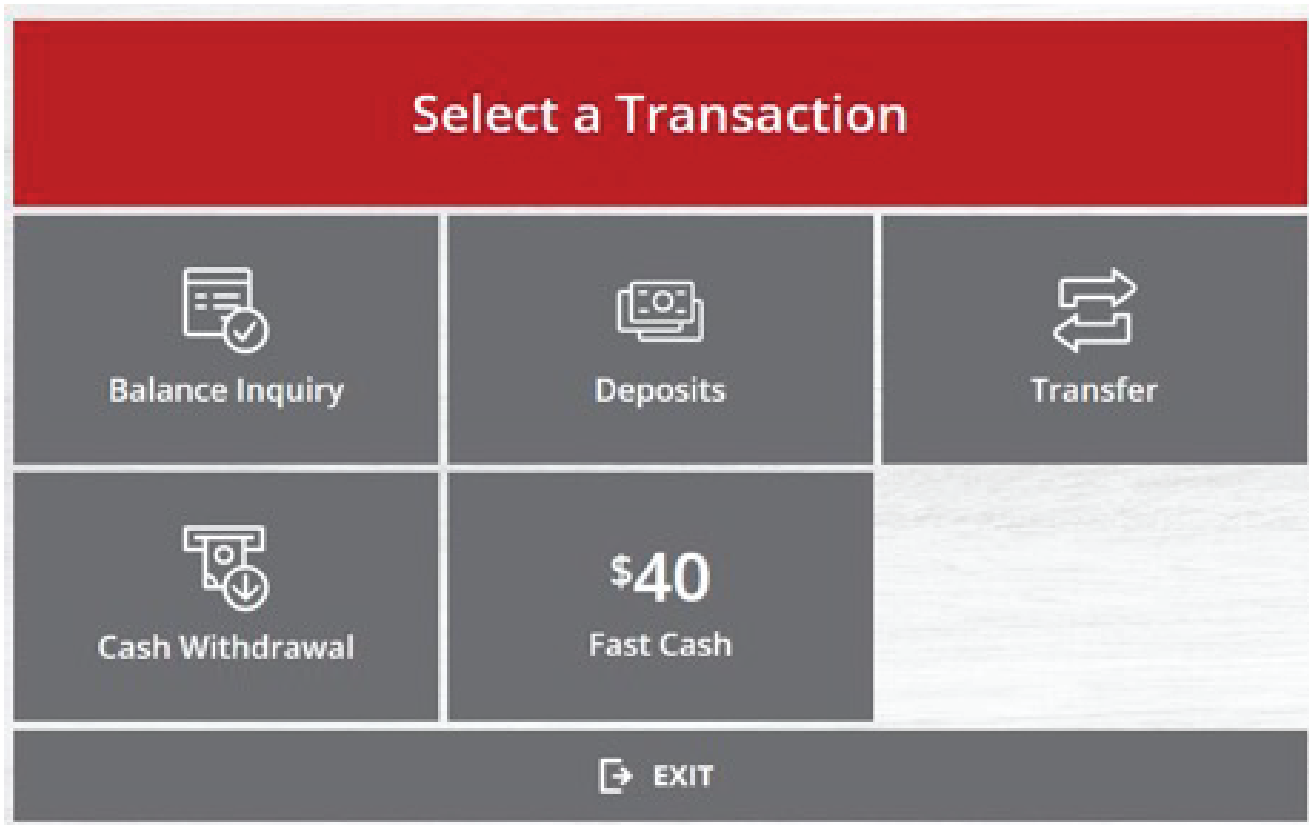

Do you want a receipt?

 No  Yes

 EXIT

This screenshot shows a receipt selection screen. The main question is "Do you want a receipt?". Below the question are two options: "No" with a document icon crossed out by a circle and slash, and "Yes" with a document icon. At the bottom, there is an "EXIT" button with a square arrow icon.

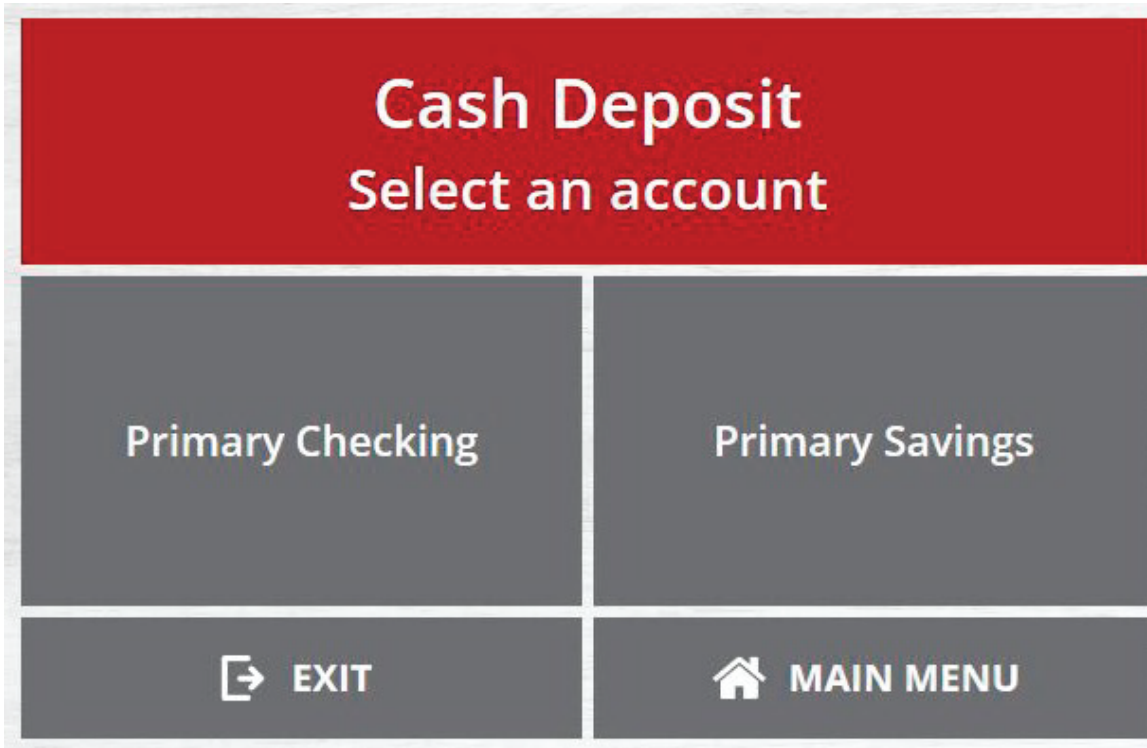

5. Select the transaction you would like to conduct.

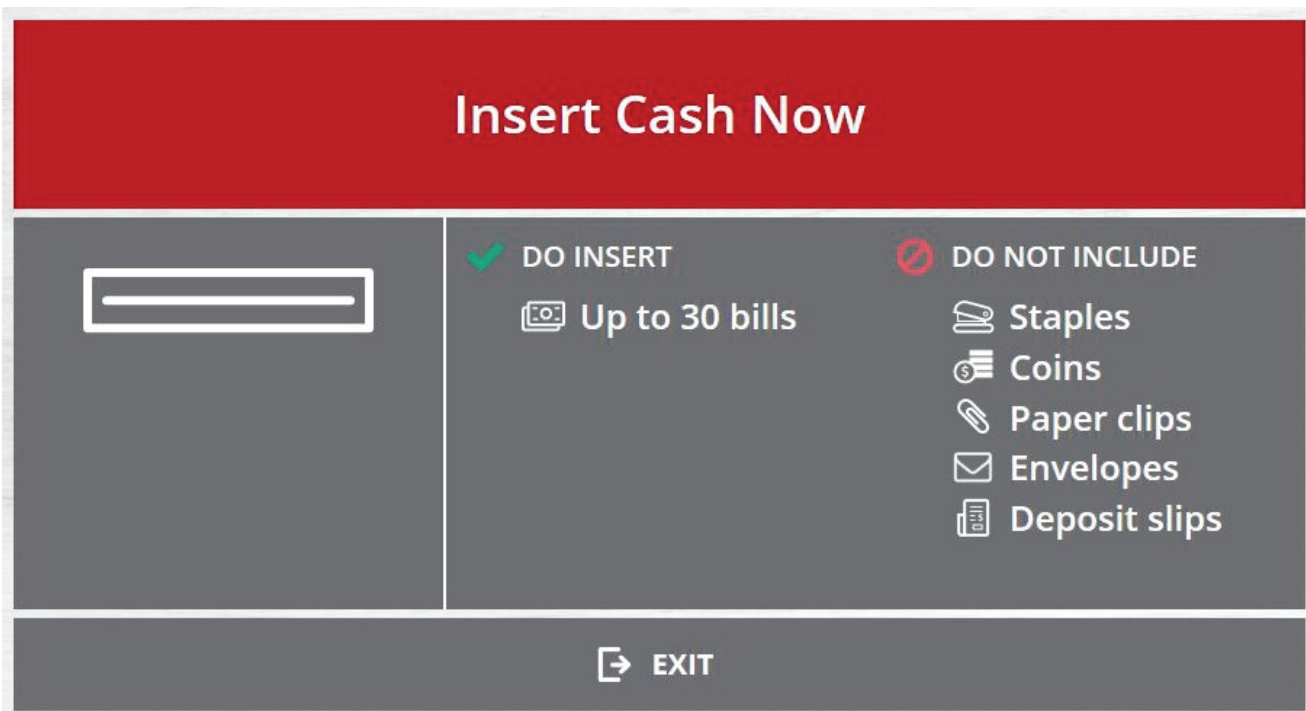

6. Select the deposit type.

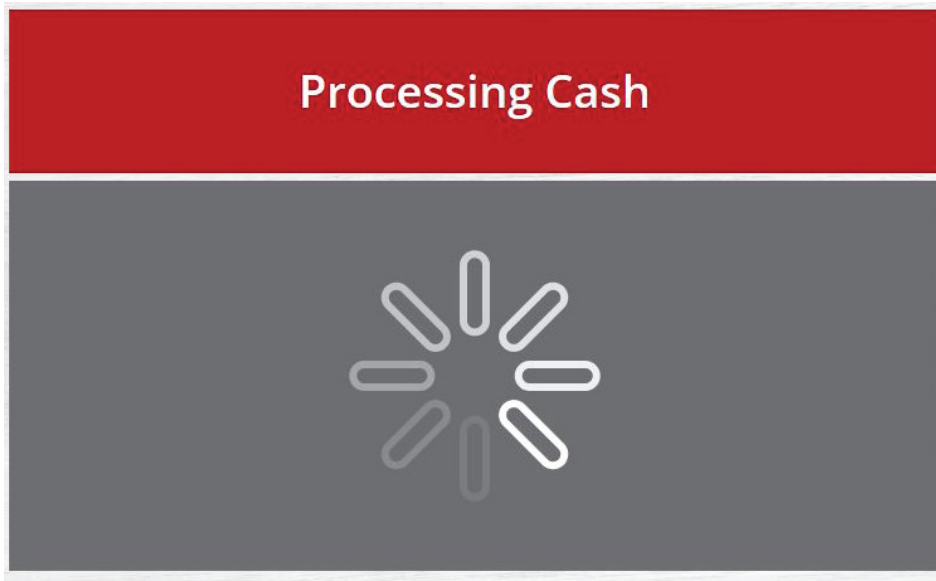

7. Select where you would like to deposit the funds.

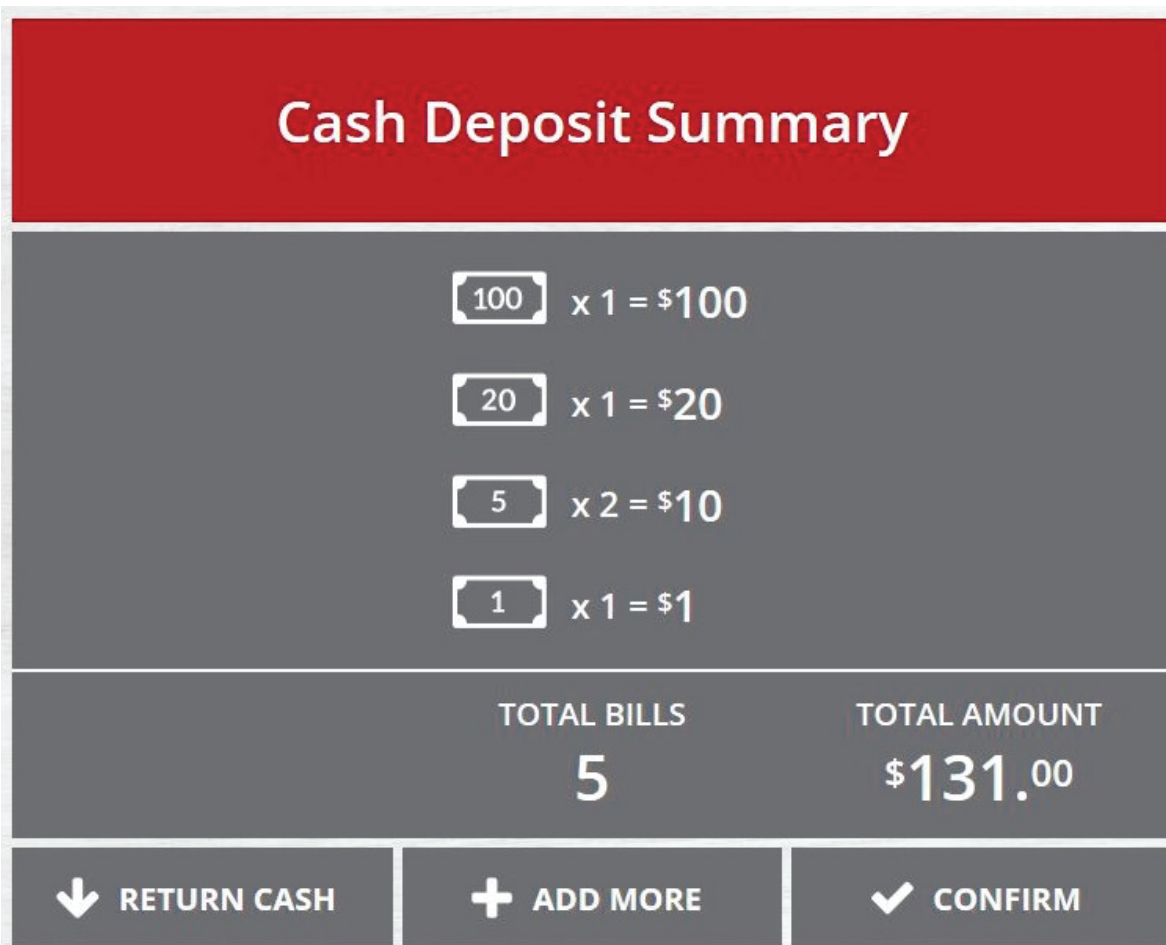

8. Insert the cash and do not include the following items: staples, coins, paper clips, envelopes, and deposit slips.

9. The ATM will process the amount entered.

10. A summary will be displayed once the cash is counted. You will be asked if you want to return the cash, add more cash, or confirm the amount displayed is correct.

11. Next, a processing screen will display.

Processing Cash

12. You will be presented with the option of completing additional deposits.

Would you like to make another deposit?

Yes, to This Account

Yes, to Another Account

✓ DONE WITH DEPOSIT

13. A reminder to take the receipt will display once the transaction is complete.

Please take your receipt.
