Depositing Checks

1. Insert your card.

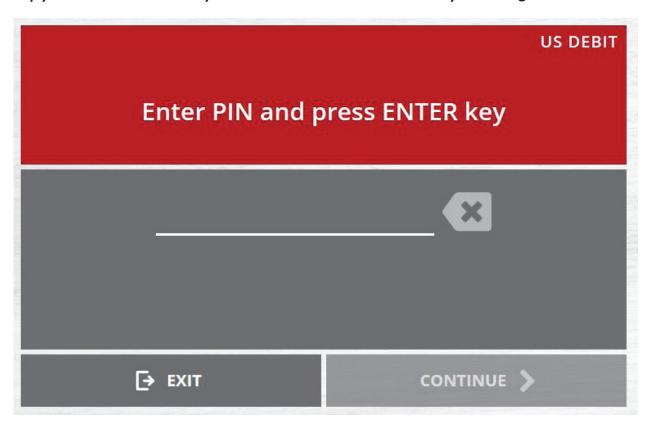

2. Select the language.

3. Type in your PIN number.

If you do not know your PIN, it can be reset by calling 1-888-886-0083.

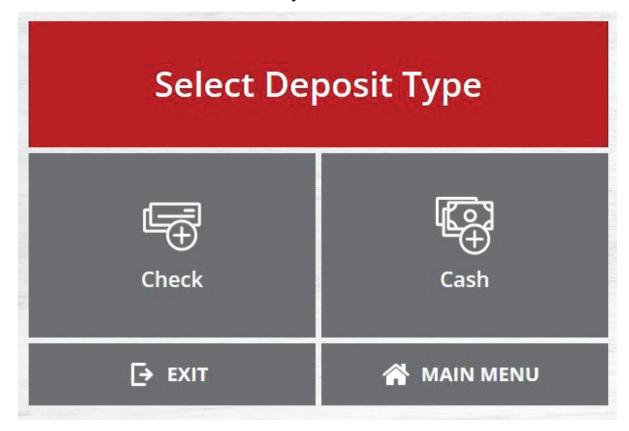

4. Select if you would like a receipt.

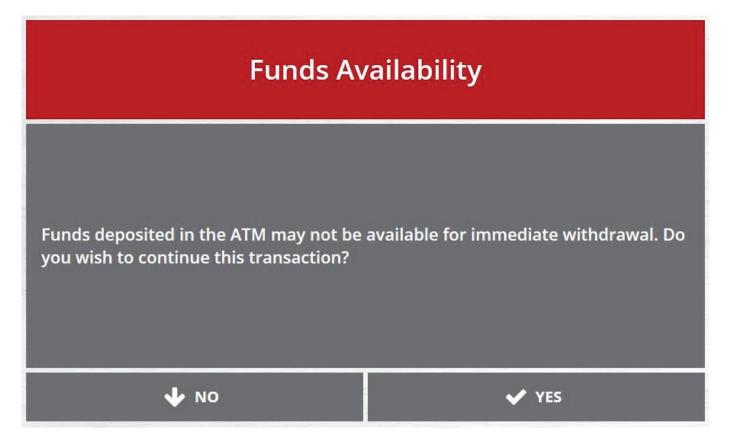

5. Select the transaction you would like to conduct.

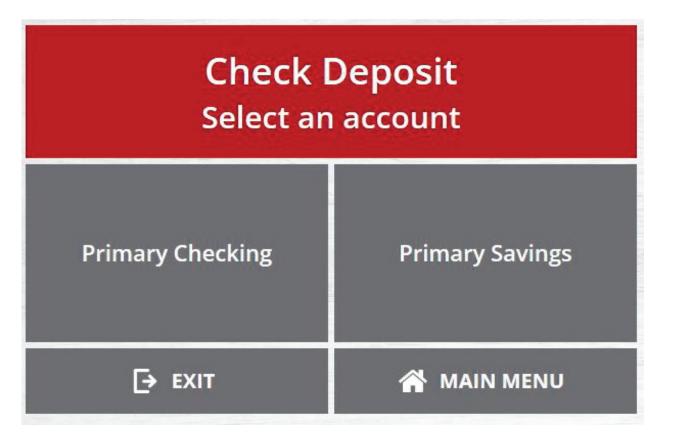

6. After selecting check deposit, you will get a Funds Availability disclosure.

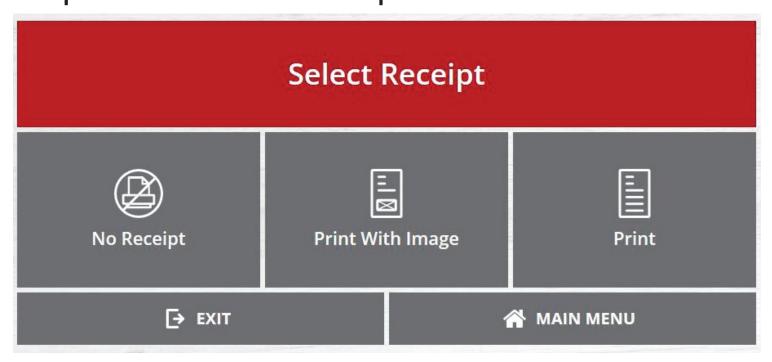

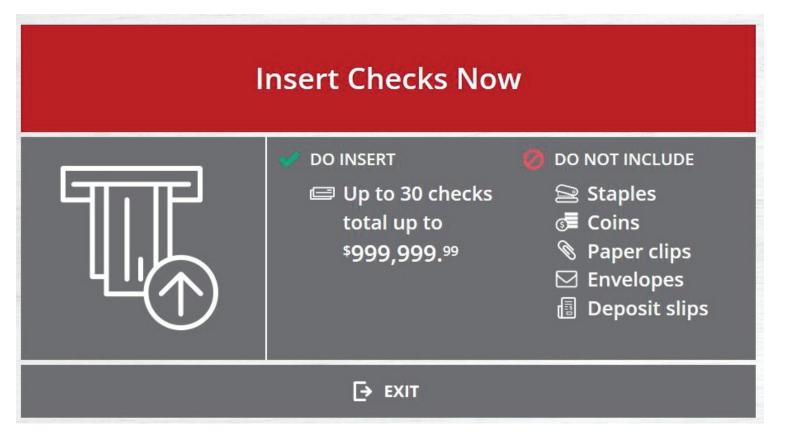

7. Select where you would like to deposit the funds.

8. You will choose your receipt preferences. "Print With Image" will mean the check image is printed on the receipt.

9. Insert the check and do not include the following items: staples, coins, paper clips, envelopes, and deposit slips.

10. The option for additional deposits will be displayed.

11. The option for additional transactions will be displayed.

12. A reminder to take your card will display once the transaction is complete.
